

Aspect C1S C/S Label Paper

Aspect C1S C/S Label Paper is designed for roll and sheetfed offset printing, die-cutting, and high-speed wet glue labeling operations. The coatings on this woodfree grade are highly suitable for sheetfed offset printing, and the excellent smoothness provides ideal results in high fidelity rotogravure and flexographic printing. Aspect C1S C/S features pleasing brightness and a crisp, neutral shade, combined with high opacity and a semi-gloss finish.

FEATURES AND BENEFITS

- Coatings designed for offset, flexographic, and rotogravure printing
- Smooth, semi-gloss finish for premium print fidelity and image reproduction
- Pleasing brightness, high opacity and crisp neutral shade for optimal label appearance
- Designed for wet glue applications
- FDA compliant for direct food contact, subject to applicable use restrictions.
