

Aspect® C1S PS Face Paper

Aspect® C1S PS Face Paper is a high brightness, high gloss, single-side coated freesheet. Its smoothness and optical properties are designed to yield clean, crisp printed images. Its physical properties provide the dimensional stability and strength required in the pressure sensitive label converting process.

FEATURES AND BENEFITS

- Coatings designed for flexographic printing
- Smooth, semi-gloss finish for premium print fidelity and image reproduction
- High strength for fast matrix stripping and runnability
- High brightness, high opacity & premium blue-white shade for optimal label appearance

* MR = Moisture Resistant Version

** LG = Low Gloss Version

MAIN APPLICATIONS

High-end pressure sensitive labels for flexographic printing
Moisture resistant version for high humidity environments
