

DURAPPOINT™

DuraPoint™ grades are designed for wet strength beer labels. These grades feature a high fidelity print surface, coupled with high wet strength for label durability. Good brightness and gloss level, along with wet opacity, make DuraPoint™ a good choice for label applications.

FEATURES & BENEFITS

- ☑ Print side smoothness and gloss for good printed appearance
- ☑ High dry and wet opacity for good label appearance wet or dry
- ☑ Full wet strength for label durability
- ☑ Reverse side treatment engineered for wet glue adhesives
- ☑ Reliable performance in high speed labeling processes
