

GlazeArmor™ NK Micro

GlazeArmor NK Micro is an uncoated natural kraft machine-glazed paper with oil and grease resistance that is specifically designed for microwave popcorn bag applications.

FEATURES AND BENEFITS

- Unbleached fibers offer natural look and feel for microwave popcorn packaging
- Excellent oil and grease holdout
- PFOA-free chemistry with multiple fluoro-chemistries available*
- FDA compliant for direct food contact, subject to applicable use restrictions.
- Excellent runnability and converting performance
- Available with Chain of Custody fiber certification upon request
- Standard Kit Levels: 6, 7, 8, and 12. Other Kit levels available upon request

*based on OGR supplier statements where the limit of detection for PFOA is \leq 100 ppb.
