

SUPERIOR-PERFORMANCE INKJET MEDIA

Pixelle Specialty Solutions® offers the industry's widest range of proven inkjet media solutions. Engineered for superior performance, exceptional image fidelity, consistent post-processing and unmatched value, our inkjet media will meet the demanding needs of your digital applications. Find the best media for your presses with our experienced team of product specialists and increase your productivity. For dynamic print with outstanding results, see what is possible with Pixelle.

-
- > Outstanding image fidelity and durability
 - > Broadest range of treated, untreated and coated media
 - > Crisp, consistent images
 - > Dedicated support and service
 - > Universal media for all major OEMs

UNTREATED

This proven multipurpose, uncoated solution for inkjet, digital and offset applications is offered in two appealing shades of white, with targeted brightness of 92 and 96 Opaque.

UNTREATED	BASIS WEIGHT			CALIPER	BRIGHTNESS	OPACITY	SMOOTHNESS	HIGHLIGHTS	
	BOND	TEXT	GSM					MOCR/MICR	OPAQUE
